Molina Healthcare of Ohio Announces \$150,000 Commitment to Fund Purchase of Personal Protective Equipment and Other Essential Supplies

COLUMBUS, Ohio, April 2, 2020 – In response to the COVID-19 pandemic, Molina Healthcare of Ohio (“Molina”) is committing \$150,000 for the purchase of personal protective equipment (“PPE”), COVID-19 test kits, as well as other needed essentials to help protect providers, health care professionals, and those in need during the coronavirus pandemic that has plagued Ohio and the nation.

“Molina is committed to supporting our health care partners serving on the front line with needed personal protective equipment and test kits, and providing other essentials including personal care items, food supplies, diapers, and more to community partners throughout Ohio,” said Ami Cole, plan president of Molina Healthcare of Ohio. “Molina will work with Governor DeWine’s administration to help identify community organizations, hospitals, homecare and hospice providers, homeless shelters, and other facilities in need of supplies to best serve affected Ohioans immediately.”

In addition to PPE, needed testing kits, and critical essentials in various communities throughout Ohio, Molina is also identifying partners that require monetary support to help address COVID-19 emergency needs.

Molina Healthcare of Ohio shares the governor’s commitment to tackling the pandemic and continues to take the following steps to support his administration’s efforts:

- Molina has waived all cost share and prior authorization requirements for COVID-19 services for all health insurance products offered in Ohio.
- Molina continues to provide virtual urgent care for MyCareOhio, Marketplace, Medicare, and adult Medicaid members through its partnership with Teladoc. We encourage members to take advantage of this convenient way to receive medical care without leaving their home. For information on how to access this this service, members can visit this [website](#) or call 1-800-Teladoc.
- Molina members can receive free home delivery of prescriptions through any CVS Pharmacy, which is a convenient option to avoid coming to the pharmacy for refills or new maintenance prescriptions.
