**The MolinaCares Accord, in Collaboration with Molina Healthcare of Michigan,
Donates \$1,000 to Food Rescue US**

DETROIT, Mich. April 30, 2021 — [The MolinaCares Accord](#) (“MolinaCares”), in collaboration with Molina Healthcare of Michigan, has donated \$1,000 to [Food Rescue US](#) to support efforts to fight hunger, raise awareness about food insecurity in Wayne County and give vulnerable populations access to food during these unprecedented times.

Food Rescue US is committed to eliminating food waste by directly transferring fresh, usable surplus food from grocers, restaurants and other local business to agencies serving those in need. The MolinaCares donation will cover costs such as transportation, delivery, food recovery fees, and unexpected costs.

“Food Rescue US - Detroit has created a community of dedicated food donors and rescuers, committed to helping end hunger while reducing food waste,” said Carol Shattuck, CEO of Food Rescue US. “This generous gift will allow us to support our continued growth, secure new food donations, and feed those that are food insecure.”

About The MolinaCares Accord:

Established by Molina Healthcare, Inc., The MolinaCares Accord oversees a community investment platform created to improve the health and well-being of disadvantaged populations by funding meaningful, measurable, and innovative programs and solutions that improve health, life, and living in local communities. The MolinaCares Accord funds such measures through The Molina Healthcare Charitable Foundation Inc., a 501(c)(3) established in 2020 by Molina Healthcare, Inc.

About Food Rescue US:

Food Rescue US is committed to reducing food waste and hunger in America. Using technology, they engage volunteers to transfer excess fresh food from grocers, restaurants, and other sources to social service agencies that feed people who are food insecure. Since its founding in 2019, Food Rescue US - Detroit has provided over 4.6 million meals and kept over 5.5 million pounds of excess food out of landfills.
