The MolinaCares Accord Donates \$10,000 to Support Neighborhood House Youth Development Program in West Louisville

LOUISVILLE, Ky. June 23, 2021 — The MolinaCares Accord (“MolinaCares”), in collaboration with Passport Health Plan by Molina Healthcare (“Passport”), donated \$10,000 in support of the Neighborhood House Youth Development Program for students in west Louisville. The Youth Development Program provides year-round academic support, character development and life skills training, cultural and recreational activities, and college and career readiness support for children and teens in grades one through 12.

“We are so thankful to our friends at the MolinaCares Accord for their generous support of this important program to help kids in our community,” said Jennie Jean Davidson, executive director of Neighborhood House. “The well-being of our children is so closely tied to social determinants of health, including education, environment and physical health to name a few. We applaud MolinaCares for their commitment to addressing these critical elements in the lives of our kids.”

The donation will help ensure that Jefferson County Public School students can continue benefiting from the academic and social-emotional support provided by the Neighborhood House Youth Development Program this summer. The program currently serves students between the ages of 5 and 17 who attend 20 different JCPS schools.
