Molina Healthcare of Texas Hosts COVID-19 Vaccine Events Across State

IRVING, Texas, Sept. 27, 2021 — As part of a continued statewide initiative to mitigate COVID-19 cases and keep Texans healthy, [Molina Healthcare of Texas](#) (“Molina”) hosted 17 vaccine clinics throughout the state this summer.

In partnership with [MD Kids Pediatrics](#) and [CVS Pharmacy](#), Molina hosted vaccine events in Pharr, Cypress, Dallas and El Paso between July and September. The clinics were open to the public.

“The vaccine is our greatest protection against COVID-19 and ensuring Texans are able to access it in their local communities is vital to helping end this pandemic,” said Chris Coffey, plan president of Molina Healthcare of Texas.

Many of the vaccine events coincided with the start of the school year, with some clinics giving participants new backpacks, care packages and gift cards.
